Dear Howie,

I wonder if you would do me the favor of sending me a blank copy of your daily program traffic sheet that you use at WYBC. I want to remodel ours and wanted to see some from other stations. I believe it consisted of several large orange sheets.

Well, we are all through with exams and just started the new term yesterday. Somehow I managed to pass all my exams by the skin of my teeth, so it looks like I can have another term here at Princeton. I may be up your way for the Princeton-Yale basketball game if I do color for it.

During Christmas I managed to land myself a full-time job with a 250 watt CBS outlet in Springfield, Ill. So this summer the good people of central Illinois will be blessed with my hooie on the air.

I'll let you know later about our broadcast up there of the basketball game.

Sincerely,

Charlie
